Cat microchip details must be stored on

DOGSANDCATSONLINE.COM.AU

Yes, I have an owner login

If you haven't created an owner login, details on how to register are overleaf.

1 Go to **www.dogsandcatsonline.com.au**

2 **Click 'I have a login'** and enter your email address and password
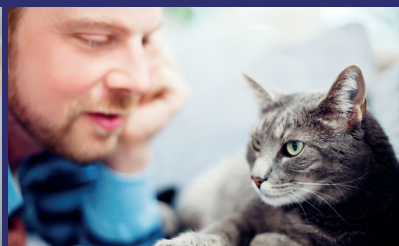

3 **Select 'Register a New Dog/Cat'**
NB: if the microchip details have been entered into Dogs and Cats Online by a vet or implanter, select **Complete Ownership Transfer** *instead*

4 **Check your personal details** including email address and contact phone number

5 **Enter the cat details** and upload certificates of desexing and microchipping

6 **Review and submit** the details

7 **Fee payable** is calculated based on whether Council has Cat Registration. Complete the payment stage to finalise the registration

New laws require all **cat microchip** details to be stored on
DOGSANDCATSONLINE.COM.AU

Don't have any Council registered animals and need to create a new owner login?

1   **Go to** **www.dogsandcatsonline.com.au**

2   ***NB:*** *if the microchip details have been entered into Dogs and Cats Online by a vet or implanter, select* ***Complete Microchip Registration****, otherwise;*

Select 'Register as a New Owner' if you don't have any registered dogs or cats or a login to Dogs and Cats Online

3   **Enter your personal details** including an email address and contact phone number

4   **Breeder registration**, if applicable, for breeders of dogs or cats for sale

5   **Enter the cat details** and upload certificates of desexing and microchipping

6   **Fee payable** is calculated based on whether Council has Cat Registration. Complete the payment stage to finalise the registration

7   **Create a password** within 24 hours, following the link sent to your email

Alternatively, you can contact your local Council for assistance.
